

A woman with short dark hair, wearing a white jacket over a dress with a large red rose pattern and a red scarf, stands in a cemetery. She is looking upwards and to the right, with her right hand resting on a large, dark, irregularly shaped meteorite marker. The marker is set on a rectangular base. In the background, there is a white building with arched windows and other gravestones under a cloudy sky.

Himlastenen på kyrkogården i Getinge

Ända sedan 1885 har meteoriten prytt gravstenen där Anci Savéns morfars fars farfar Karl Jonasson och hans hustru Pernilla ligger.
